FOREWORD

On a warm summer day in 1927, as the writer was caring for the cemetery at Hershey's Church, where his father and mother, grandfather and grandmother, and great-grandfather and great-grandmother are sleeping, he was inspired with the thought of how desirable it would be to have a record of all the descendants of his great-grandparents down to the present day, and with this inspiration he began gathering material and the result is this present book.

For most of the historical matter herein presented, I am indebted to the pen of Scott F. Hershey, and for the material for the record, I am indebted to the following helpers: Amos H. Hershey, New Holland, Pa.; John B. Hershey, Kinzers, R. 1, Pa.; Jesse C. Snavely, Paradise, Pa.; Joseph Hershey, Kinzers, Pa.; John K. Hershey, Ronks, Pa.; Clayton and Margie Hershey, Kinzers, R. 1, Pa.; Mrs. Anna Leaman, Lancaster, R. 6, Pa.; Bertha M. Siegrist, Lancaster, R. 2, Pa.; and others.

You will notice the numbers beginning each name as indicating to which generation of Hersheys in America you belong, beginning with Andrew Hershey who came to America in 1719, as the first generation, his two sons, Andrew and Benjamin, as the second generation, and so on down.

The first figures after the name give the date of birth, the second figures the date of death, and the third the age in years, months, and days. The vacant space of those living can be filled after we depart from this life.

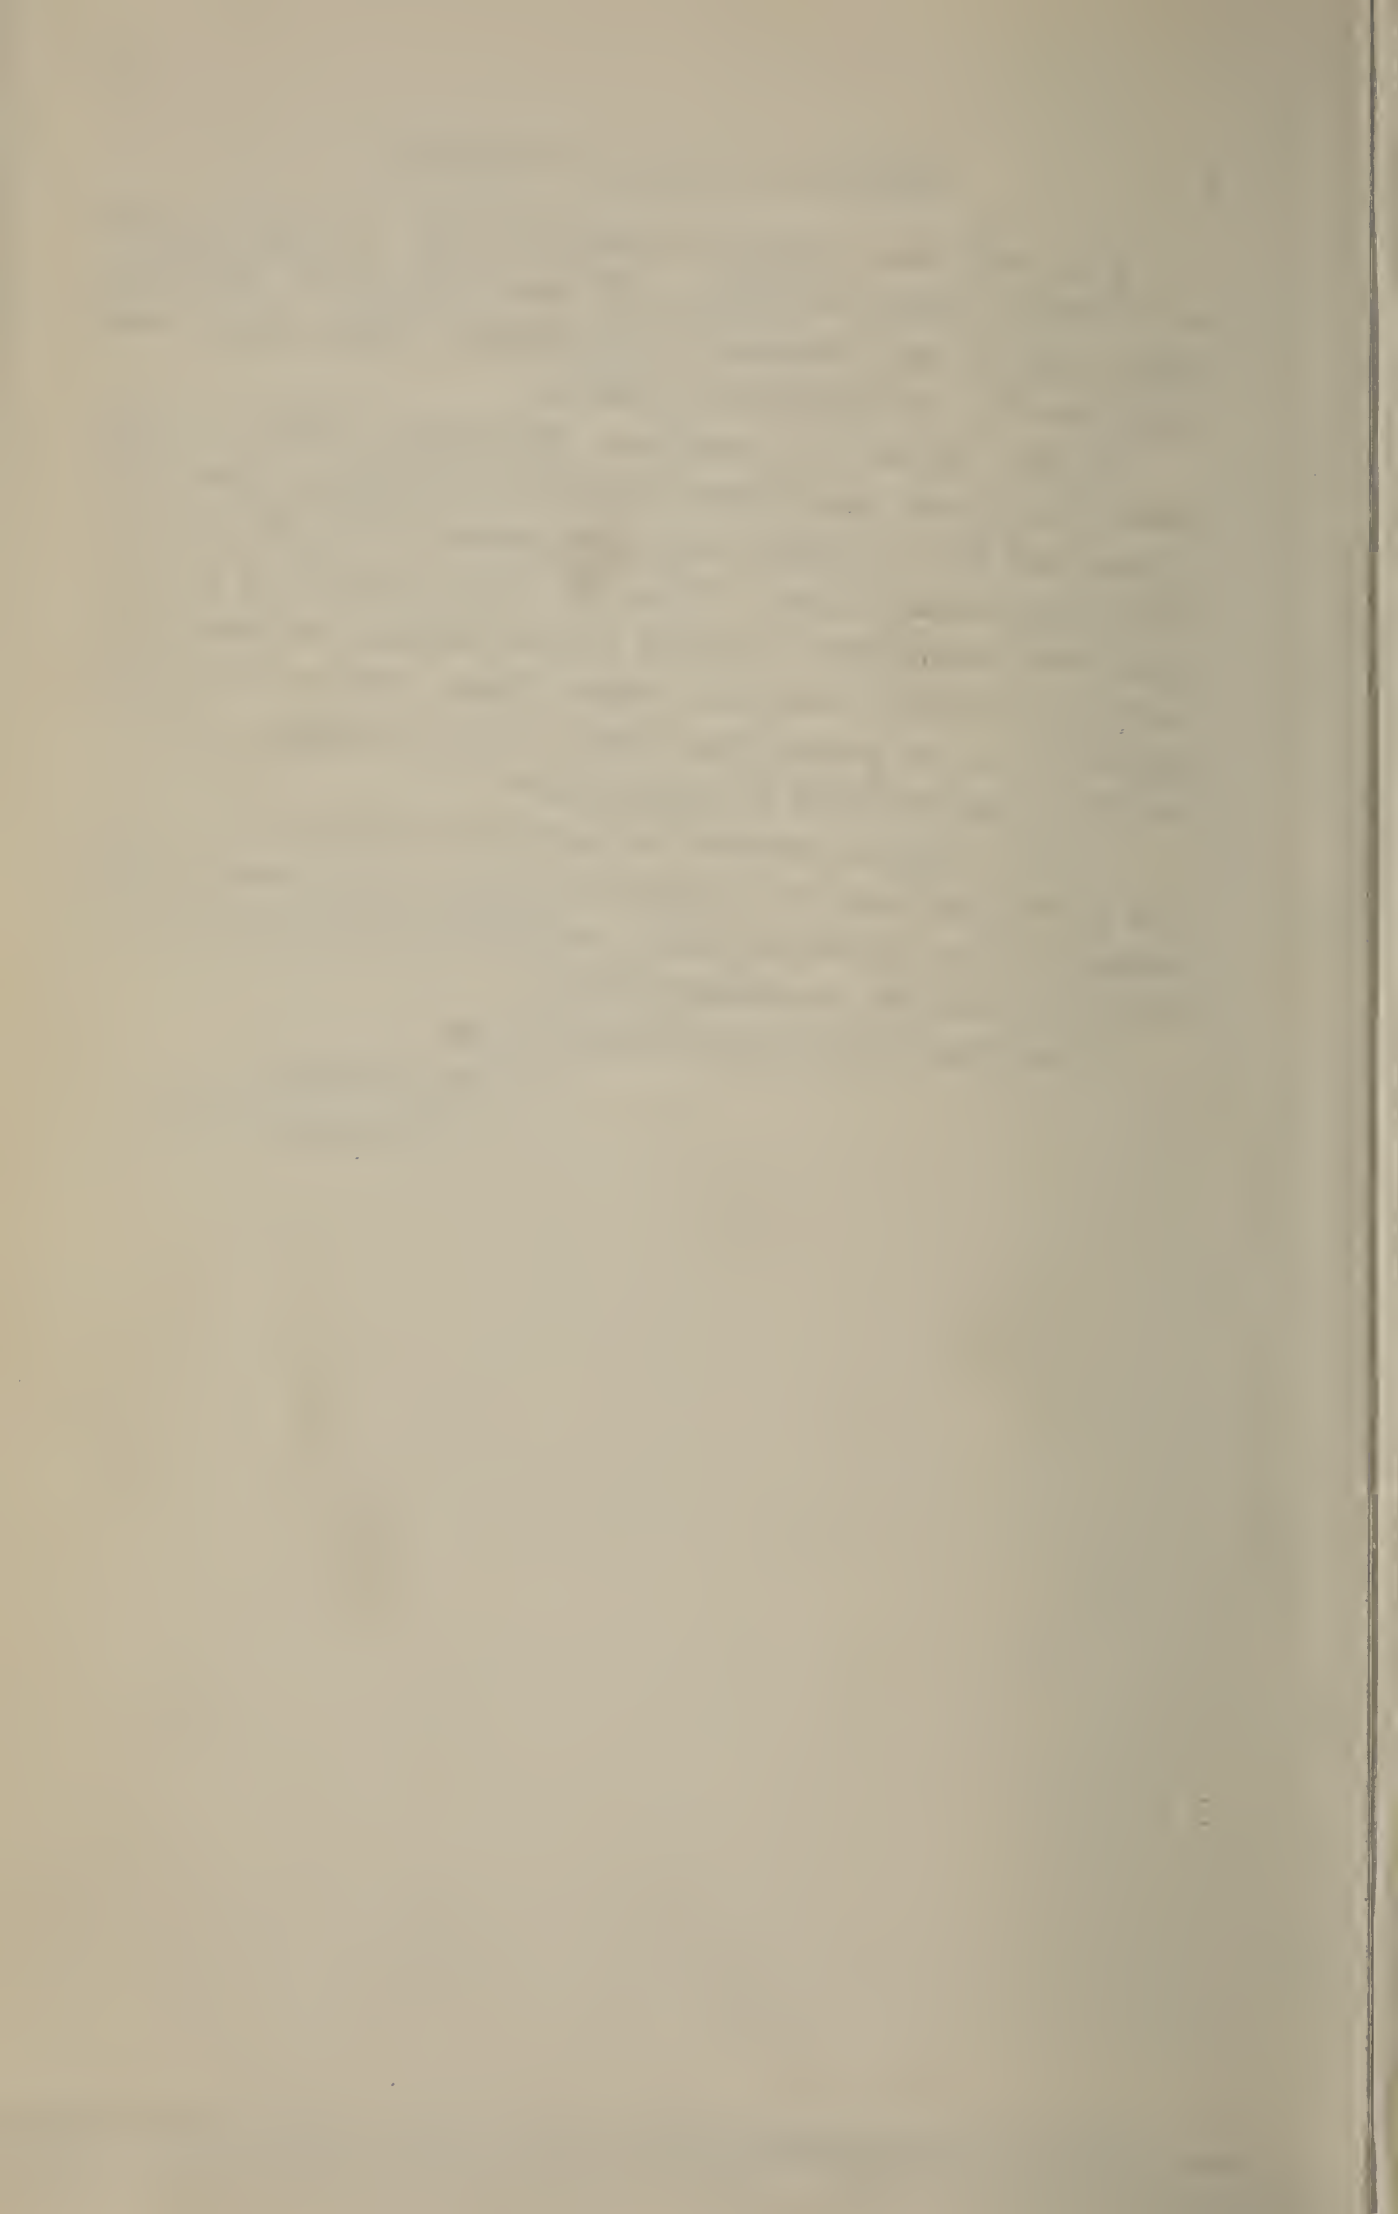

You will also notice the letters B. M. D. which stand for certain things as follows: B. for Bishop, M. for Minister, and D. for Deacon, which shows which ones were called to the various church offices.

In the record you will see generation No. 4 is the family of Jacob and Anna Newcomer Hershey, then No. 5 were all first cousins, and generation No. 6 are all second cousins, and so on. From the first to the fifth generations our forefathers have all passed away, the sixth generation is more than two-thirds gone, the seventh and eighth is in its prime, the ninth in its teen age, and the tenth is just making its appearance.

If the readers receive as much knowledge and pleasure in reading and studying this history and record as the author did in gathering and compiling this work, we will all be repaid for the undertaking.

May the Good Lord bless you all.

HISTORICAL

Everything has to have a beginning, so with the Hershey family. It appears that the name originated in Switzerland, for there most families of any note have an emblem of some kind for their name, and the emblem for the name Hershey is a Deer. The language in Switzerland is German, and in German the name of Deer is "Hirsch," hence the name, but it has undergone many changes, and has appeared in many languages, such as Italian, Dutch, Greek, Irish, and English. It has been spelled in many ways. Twenty different spellings have been collected from tombstones, Bible and court records, such as the following: Harsh, Harsha, Harsey, Hartha, Harse, Harschey, Hershi, Hersha, Hersche, Hersay, Herseey, Herzey, Hersee, Hershe, Hersher, Hershey, Hirsh, Hirschey, Hirschel, Hurshey, Hershy.

The history of the Hershari has been traced back for three centuries and a quarter, with a trace reaching to still more remote times. They descended from a most honorable ancient lineage, of high standing in all the ideals and forces of character, men who followed agricultural rather than business pursuits.

Many of the most worthy and eminent people in America, who came from the continent of Europe, would be surprised to know that they have sprung from the Hebrew race. History tells us of a most eminent German writer by the name of Moses Hirschel, who, when fifty years of age, accepted the Christian faith, and upon his being baptized, changed his name from Moses to Chris-

tian Hirschel, a very fitting thing for him to do; for when he changed his religion from the Law to the Gospel, to change his name also, was a recognition that the Law was given by Moses, but Grace and Truth came by Jesus Christ.

During the first few generations in this country Bible names were most generally used, and were apparently the favorite ones which parents gave to the Hershey children. They read the Bible and thought about it, and conversed over it a great deal; hence it was natural that they should give their children the names of their favorite Bible characters, such as Abraham, Isaac, Jacob, Joseph, Daniel, Peter, John, Benjamin, Mary, Anna, Elizabeth, and very often the name of "Christian," as standing for all the Christian graces, an evidence of our origin.

History tells us that all the Hersheys who came to this country from Europe were members of the Mennonite Church. These Mennonite forefathers were opposed to war, and state and church union before George Fox and William Penn were decrying war, and Roger Williams was thundering for separation of church and state. Their view in regard to oaths and war is one of the links in the chain showing that the Hersheys of Innessholden, Switzerland, had descended from early Jewish converts to Christianity who had come through the fire of the persecutions of pagan Rome in the early centuries. They did not get their opinions from Menno Simons, their first appointed leader, but from the Bible, the Book of all books.

Menno Simons had become troubled about Roman Church doctrines, and after a careful study of the Scriptures he renounced the Papacy and began to associate with these people of like faith. Then they urged him to

become their religious leader. This was the first congregation that he led and from thence came the name Menno-nite.

The first Hershey family to set foot on American soil was Christian Hershey and his three children, Benjamin, Andrew, and Anna, in the year 1709. They located on a farm one half mile west of Herr's Ice Factory, on the Lincoln Highway one mile west of Lancaster City. This land is now owned by Elizabeth Kready. This Christian Hershey was a bishop in the Mennonite Church, and was succeeded by his son, Benjamin Hershey, to the same office. This Benjamin was probably the first bishop to serve the congregation at Mellinger's Church, east of Lancaster City, Pa.

However, this Christian Hershey is not the great ancestor to head this record of Hersheys, as you will notice later. From Lancaster County the Hersheys migrated to other counties and rapidly to other states and provinces, to Maryland, Virginia, Ohio, Illinois, Ontario, etc. To-day they are in every state in the union, and at least one is in Alaska, one in the Philippines, one in China, and one family is in South America. There are at present at least 75,000 people in this country belonging to this great family. It is worth while for each of us to raise our eyes to Heaven and say, "Father, I thank Thee for my fathers in these many generations."

The Hersheys in War

The writer (Scott F. Hershey) has been identified for many years with world-wide movements for peace and arbitration. It is but recently that he has learned that the Hersheys have always been opposed to warfare. It

is one of the strong indications that the family dates back into the earlier Christian centuries when all of the disciples of Christ believed that war was wrong. They went to the Piedmont to escape from the war zone of Europe. The great historian Neander, says that the Waldenses, by which he means the Piedmont Christians, "not only disapproved of oaths but held it to be unChristian to shed blood." The family went to the Swiss Alps when war invaded the Piedmont, and when war came into quiet Innesholden, they fled to America, to become a part of the peace colony of William Penn.

When the Revolutionary War came their situation was most trying. In their great dilemma they then addressed a declaration to the Assembly of the Province of William Penn at Philadelphia, Pa. We insert it here because it is worthy of preservation. The Benjamin Hershey who composed it was a brother to Jacob Hershey (1742—1825), the one who is to head this record.

DECLARATION

To the Honorable Assembly and all Others in High or Low Stations of Administration, and to all Friends and Inhabitants of this Country, to Whose Sight this may Come,
be they English or German.

In the first place we acknowledge us indebted to the most High God, who created Heaven and Earth, the only good Being, to thank Him for all His great Goodness, and manifold mercies and love through our Saviour Jesus Christ, who is come to save the souls of men, having all power in Heaven and Earth,

Further we find ourselves indebted to be thankful to our late worthy Assembly, for their giving so good an advice in these troublesome times, to all ranks of people in Pennsylvania, particularly in allowing those who by the Doctrine of our Savior Jesus Christ, are persuaded in their Conscience to love their ene-

mies and not to resist evil, to enjoy the liberty of their Conscience for which, as also for all the good things we are enjoying under their care, we heartily thank that worthy Body Of Assembly, and all high or low in office, who have advised to such peaceful measure, hoping and confiding that they and all others entrusted with power in this hitherto blessed Province, may be moved by the same Spirit of Grace, which animated the first founder of this Province, our late worthy proprietor, William Penn, to grant liberty of Conscience to all inhabitants that they may in that great and memorable day of judgment be put on the right hand of the just judge, who judgeth without respect of persons, and hear of these blessed words, "Come ye blessed of my Father, inherit the Kingdom prepared for you," etc., "what ye have done unto the least of these my brethren, ye have done unto me," among which number (i. e. the least of Christ's Brethren,) we by His Grace, hope to be ranked, and every lenity and favor shown to such tender Conscienced, although weak followers of this our blessed Saviour, will not be forgotten by Him in that great day.

The advice to those who do not find freedom of Conscience to take up arms that they ought to be helpful to those who are in need and distressed circumstances, we receive with cheerfulness towards all men of what station they may be, it being our principle to feed the hungry and give the thirsty drink, we have dedicated ourselves to serve all men in every thing that can be helpful to the preservation of men's lives, but we find no freedom in giving or doing or assisting or any thing by which men's lives are destroyed or hurt, we beg the patience of all those who believe we err in this point, we are always ready according to Christ's command to Peter, to pay the tribute, that we may offend no man, and as we are willing to pay taxes, "and to render unto Caesar those things that are Caesar's, and to God those things that are God's," although we think ourselves very weak to give God His due Honor, He being a Spirit and Life and we only dust and ashes.

We are also willing to be subject to the higher powers, and to give in the manner Paul directs us, "for he beareth the sword not in vain, for he is the minister of God, a revenger to execute wrath upon him that doth evil."

This Testimony we lay down before our worthy Assembly, as above mentioned and that we are not at liberty in Conscience to take up arms to conquer our enemies, but rather to pray to God who has Power in Heaven and on Earth for US and them.

We also crave the patience of all inhabitants of this country, what they think to see clearer in this doctrine of the Blessed Jesus Christ, we will leave to them and God, finding ourselves very poor, for faith is to proceed out of the Word of God, which is Life and Spirit, and a Power of God, and our Conscience is to be instructed by the same, therefore we beg for patience.

Our small gift which we have given we gave to those who have power over us that we may not offend them, as Christ taught us by the tribute penny. We heartily pray that God would govern all hearts of our rulers, be they high or low, to meditate those good things which pertain to our and their happiness.

The above Declaration written by Benjamin Hershey, minister of the Gospel of the Mennonite Church and signed by a number of elders and teachers of the Society of the Mennonites and some of the German Baptists, presented to the Honorable House of Assembly on the 7th day of November, 1775, was most graciously received.

The first Hershey ancestor of which we have any record was Jog Hersche ("Jog," is Swiss for "Jacob"), born at or near Appenzell, Switzerland, about 1535. He was a resident of Appenzell, Innesholden, Switzerland, in 1621, at which time his son, Conrad Hersche, next in line of this family descent, married Greth Lamere, at Appenzell, in 1621. Franzist Hersche, son of Conrad and Greth Lamere Hersche, married Engel Darig, at Appenzell in 1662. Andrew Hersche, some records say Hans, son of Franzist and Engle Darig Hersche, married Anna Geunder at Appenzell in 1696. From this union were born three sons, Andrew, Benjamin, and Christian. We have no record telling us whether the mother died before they

left Switzerland or not, but this father Andrew with his three sons, Andrew, Benjamin, and Christian, moved from Appenzell, Switzerland, to the Palatinate at the Court of Freidensheim, Germany, and in the year 1719 the father and his two sons, Andrew and Benjamin, came to America and located on the little Conestoga Creek, west of Lancaster City, Lancaster County, Pa. The son Christian was obliged to remain at the Court until the year 1739, when he too came to America and located with the others in Lancaster County, Pa.

These three brothers were chosen ministers in the Mennonite Church. Apparently the father and his two sons, Andrew and Benjamin Hersche, were here just eleven years before the first Mennonite Church was built in Lancaster County. This church was built in 1730, on a farm just opposite Abbeville, or Herr's Ice Factory, on the Lincoln Highway one mile west of Lancaster City, and now owned by Barbara Herr, "widow of Henry Herr." On the southeast corner of this farm is where we were told it was built. This meetinghouse was torn down in 1791 and moved to one mile north of Rohrstown, Pa. The old house served the congregation for sixty-one years. To-day (Jan. 17, 1928) there is no evidence of a meetinghouse ever having been there. "No doubt here our ancestors fed the people with the bread of life for many years." There is still evidence of a cemetery there, for on a spot, about 20 or 30 feet square, under the shadow of two small trees, there are lying a large number of broken tombstones. We noticed that it was still used as late as 1855, for we saw on a broken tombstone the name of Mary Hershey, wife of C. Binkley, born in 1796, died in 1855, less than 75 years ago.

To-day it is being trodden under without any protection, and in a few years the plow will pass over it. "Tradition tells us, which may be very true," that here is where our ancestors are sleeping unmarked. What a pity, but our consolation is that the Lord knows where they are sleeping awaiting the summons from on high, "when the Lord himself shall descend from heaven with a shout, with the voice of the archangel, and with the trump of God; and the dead in Christ shall rise first: then we which are alive and remain shall be caught up together with them in the clouds to meet the Lord in the air: and so shall we ever be with the Lord. Wherefore comfort one another with these words" (I Thes. 4:16-18).

ANDREW HERSHEY, 1702—1792

This Andrew Hershey of the second generation, son of Andrew and Anna Geunder Hershey, was born at Appenzell, Switzerland, in the year 1702, and at the age of 17 he with his father and brother, Benjamin, emigrated to America in 1719, and located in Hempfield Twp., Lancaster Co., Pa., where he died in 1792, at the age of 90 years.

The writer does not know whom he married, but he was the father of 12 children, 9 sons and 3 daughters, as follows: Christian Hershey, born 1734, married to Elizabeth Hiestand, died in 1783; Andrew Hershey, born in 1735, married to Magdalena Bauchman, died in 1806; Benjamin Hershey; John B. Hershey, born in 1741, married to Magdalena Hoover, died in 1811; Jacob Hershey, born in 1742, married to Anna Newcomer, died in 1825; Abraham Hershey, married to Mary Herr, Isaac, Henry, Peter, Maria, Catharine, and Adli Hershey. The father and the four following sons were ministers of the Gospel: Christian, John B., Benjamin, and Abraham. Benjamin wrote the Declaration of Peace to the Assembly of Pennsylvania.

Andrew Hershey, the father, apparently was a prosperous farmer and became quite wealthy according to his will (a copy is herein included), which was dated the 22nd day of March, 1792. It shows that he was the owner of more than 1100 acres of land located in Lancaster and Dauphin Counties, Pa. As early as 1771 his name appeared on the tax book of Derry Township, Dauphin County, Pa., as a taxpayer, showing that he was a

holder of property then. His property was divided among his sons Andrew, Abraham, Isaac, and Peter, as follows: 516 acres in Hempfield and Rapho Townships, Lancaster County, Pa., equally as could be divided. To Benjamin and Henry 400 acres in Dauphin County, Pa., on the Quittabilla Creek at Swatara, equally as could be divided. To John B. and Jacob a tract of land in Derry Township, Dauphin County, Pa., located three miles southeast of Hershey, Pa., and about one mile north of Stauffer's Mennonite Church, of which Jacob received 184 acres together with a grist or merchant mill and water privileges.

COPY OF THE WILL OF ANDREW HERSHEY,
1702—1792

In the Name of GOD, Amen.

I, ANDREW HERSHEY of Hempfield Township, County of Lancaster, Pa., being old and weak in body, but of sound memory and understanding, "God be thanked," and calling to mind my mortality, and being blessed with some worldly estate, I therefore make this as my last will and testament in manner following: First—I commend my soul to the grace and mercy of God, and my body to be interred in a Christian manner.

I give and bequeath my plantation and tract of land on which I now live, being three hundred and eighty-eight acres, and allowance according to the lines in the deeds mentioned, unto my four sons to wit Andrew, Abraham, Isaac and Peter, to each of them his share as they have it already surveyed and divided the same, together with the sixty-seven acres which I purchased of Veltz, and had the deed made upon my son Christian, who, afterward gave it to Peter and is included in the division as by the same to them, their heirs and assigns forever, for the price and value to which they heretofore consented and agreed

upon, and have already paid a part there to their brothers and sisters as hereafter mentioned.

Item 3. I further give and bequeath unto my four above mentioned sons, Andrew, Abraham, Isaac and Peter, my tract of land lying in Rapho Township, containing sixty-one acres more or less, as the lines and deeds will specify in equal shares as the same is divided and surveyed to them, their heirs and assigns, forever for the price and value as above mentioned.

Item 4. I give and bequeath my plantation or tract of land lying in Dauphin County, Pa., on the Quittobehilla Creek at Swataha, containing four hundred acres more or less, as the deed and lines will specify, unto my two sons, Bentz Hershey and Henry Hershey, in equal shares as the same can be divided to them, their heirs and assigns forever, for the price and value as above said, as they as brothers and sisters have heretofore agreed upon and having already paid a part unto them.

Item 5. As to the land which I have heretofore by deed conveyed unto my two sons, John and Jacob, the same shall also be included in the account as well as the others, and for the price as aforesaid and agreed upon between the brothers and sisters, of which they have already paid a part.

Item 6. I give and bequeath unto those of my children which have not received any land of me, to wit; Christian, Maria, Catharine, and Adli, to each of them the sum of fifty pounds beforehand, besides the valuation of the lands. --

Item 7. It is my will and I order that all my above mentioned children who have not received land of me, shall each of them have out of the valuation of the land, the sum of six hundred pounds hard money in gold or silver, besides the fifty pounds above mentioned, including nevertheless what each of them had already received and of this debt each of my sons, to whom I gave land have to pay the sum of two hundred and fifty pounds, excepting Andrew, Abraham, Isaac and Peter, each of them shall pay the sum of three hundred and fifty pounds, which will make up the sum of six hundred pounds to each of them as above mentioned.

Item 8. I give and bequeath the two hundred and fifty pounds which my four sons to wit; Andrew, Abraham, Isaac and

Peter, have to pay after my decease out of the valuation of the lands unto my children who have not received any land of me to wit; Christian, Maria, Catherine, and Adli, to be paid to them in equal shares in two years after my decease, and of the said sum, each of my above mentioned sons has to pay the sum of sixty-two pounds and ten shillings.

Item 9. It is my will and I order that all my children shall be equal sharers of and in all my estate not herein already bequeathed, one as much as the other, excepting unto my eldest son Christian, I give and bequeath five pounds aforehand in lieu of his second share and no more.

And lastly; I appoint and ordain my two sons to wit; Christian Hirshey and Andrew Hirshey my only and sole executors of this my last will and testament, empowering them to give, sign and seal and deliver deed or deeds in my name to all of my sons to whom I have given lands to them, their heirs and assigns forever according to law, which deeds so made by them or one of them shall be as good and valid as if I myself had made them, making hereby null and void all former wills and testaments by me made declaring this to be my last will and testament.

Witness my hand and seal on the day and year within said.

Andrew Hirshey, (Seal.)

Signed, sealed, pronounced and publicly
declared by the said Andrew Hirshey as
his last will and testament in the
presence of
Bentz Hirshey,
Daniel Hirshey.

JACOB HERSHEY, 1742—1825

Jacob Hershey of the third generation, the fifth son of Andrew Hershey was born in Hempfield Township, Lancaster County, Pa., in 1742. He married Anna Newcomer, and they lived on the farm owned by his father in Derry Township, Dauphin County, Pa. This gives the reason why Jacob and Anna Newcomer Hershey, went to Dauphin County to live. We know not when they went there, but this land was not deeded to him until 1791 by his father Andrew Hershey.

The following spring, 1792, Jacob with his family of six children moved from Derry Township, Dauphin County, Pa., to Salisbury Township, Lancaster County, Pa. There on the ninth day of May, 1792, there was conveyed by deed unto him his heirs and assigns a farm or tract of land containing 218 acres by a William Morrison of New Hampshire, U. S. A.

Their children, six in number, were all born in Derry Township, Dauphin County, Pa., and at the time they moved to Salisbury Township, their ages were as follows: John 20, Jacob 17, Christian 12, Elizabeth 9, Abraham 5, Joseph 6 months.

Moving then was not so quickly done as now; there were no railroads, no trolleys, no autos, no improved roads. They could travel only by horse and wagon, or perhaps by oxen, and it took several days to move instead of one as at the present time.

Jacob also was a prosperous farmer as his will shows, for by the time he was eighty years old he had a farm or tract of real estate for each of his six children then liv-

ing, for on the first day of May, 1824, he conveyed by deed, property to each one of them as follows, to wit:

To John, the oldest son, a farm located in the eastern end of Leacock Township, Lancaster County, Pa., now owned by Martin R. Hershey, a great-grandson. This John married Anna Horst, and they had seven children as the record will show. They both were members of the Mennonite Church, and he was ordained to the office of deacon, the first one to serve the Hershey Congregation in this capacity. His successor to the office of deacon was his son, John, who lost his life at a railroad crossing at Rohrerstown, Pa., March 19, 1869. This father and son, together with their wives, are both buried in the old cemetery one half mile east of the Hershey Church. Their graves are well marked.

Jacob Hershey, Jr., the second son of Jacob Hershey, Sr., received for his portion of real property from his father a farm located in Derry Township, Dauphin County, Pa., three miles southeast of Hershey, Pa., or the old home farm of his father, where all of his brothers, John, Christian, Abraham, and Joseph, and their sister, Elizabeth, were born, and from whence they moved to Salisbury Township, Lancaster County, Pa., in 1792. This was a part of 184 acres of the land his grandfather, Andrew Hershey, had deeded to his sons John B. and Jacob Hershey. On this property there was a grist or merchant mill, which is now a dilapidated building. The dwelling house is a large sandstone building with a very substantial wall, but at this date (April 20, 1928) the wood work is on the decline. At present, about 35 acres of this land, with the house, is owned by Martin Hugendubler. No trace could be found of any descendants of this Jacob

Hershey. Records show that on Dec. 22, 1829, Letters of Administration were granted to Martin Nissley, but no more.

Christian Hershey, the third son of Jacob Hershey, Sr., received for his property a farm in the extreme eastern end of Strasburg Township, Lancaster County, Pa., about one half mile northeast of the little village of Harristown. Since then Strasburg Township has been divided into two parts. This was done in 1834, and the eastern half was named Paradise. This farm is now owned and occupied by Daniel Lapp. This Christian Hershey married a Susanna Hershey, of another branch of the great Hershey tree. She was a descendant of Benjamin Hershey who came from Switzerland in 1719 with his father Andrew, and his brother Andrew. Both Christian and his wife, Susanna, were members of the Mennonite Church, and are buried in well marked graves in the old cemetery one half mile east of the Hershey Church in Salisbury Township, Lancaster County, Pa.

Elizabeth Hershey, only daughter of Jacob and Anna Newcomer Hershey, married Benedict Breckbill, and are both buried in an old cemetery, one mile southwest of Strasburg, Pa., possibly on the homestead of old Ulrich Breckbill, who was one of the first Mennonite ministers at Strasburg, Pa. Elizabeth was grandmother of Bishop C. M. Brackbill and Minister Amos H. Hoover, both of Kinzers, Pa. The property Elizabeth received from her father was also located in Derry Township, Dauphin County, Pa., adjoining property of her brother Jacob. Now the will of Jacob Hershey, Sr., states that there should remain standing in each one of these homes 8000 dollars as a part of each one's inheritance, but Elizabeth's

property was only valued at 7520 dollars the balance of 480 dollars she was to receive in cash, making an equal share of 8000 dollars for each one of his children, as part of their inheritance of his estate. The old Brackbill farm one mile southeast of Kinzers, Pa., now owned by A. C. and J. W. Hoover, great-grandsons of Elizabeth, was the place where they lived for many years. Elizabeth lived in widowhood for 48 years.

Abraham Hershey, the fourth son of Jacob Hershey, had a twin brother by the name of Andrew of whom we have no record. He must have died in infancy. Abraham was married twice; first to Maria Siegrist, and second to Anna Eby. Abraham died at the age of 56 years, 11 months and 16 days, and his wife Anna at the age of 95 years, 2 months, and 14 days. She lived in widowhood for 52 years, as the record will show. Abraham received for his home a farm located in Sadsbury Township, Lancaster County, Pa., adjoining the Hershey Church property on the north, and now owned and occupied by Landis Hershey, a grandson of his. Abraham and Joseph, being the two youngest sons of Jacob Hershey, Sr., fell heir to the original land that their father bought of William Morrison of New Hampshire, U. S. A. in 1792.

Joseph Hershey, the youngest son of Jacob Hershey, received for his portion the old home just east of Hershey's Church property, now owned and occupied by Jacob E. Hershey, a grandson of Joseph. Joseph Hershey married a neighbor's daughter by the name of Magdalena Rupp, and are both buried in the old cemetery east of the Hershey Church. Joseph was the first ordained bishop in the district; not the first bishop to serve the congregation at Hershey's, but the first one to be or-

dained in the district. Ira. L. Hershey, a minister in the Mennonite Church, is a great-grandson of Joseph. Ira's grandfather, Jacob R. Hershey, was also a minister who served the Hershey congregation.

COPY OF THE WILL OF JACOB HERSHEY,
1742—1825

In the Name of GOD, Amen.

I, Jacob Hershey of Salisbury Township, in the County of Lancaster and State of Pennsylvania, a farmer advanced in years, but of sound mind and memory, and understanding, and calling to mind the uncertainty of human life, and that it is ordered for all men once to die, I therefore make my last will and testament in manner following, that is to say, I recommend my mortal soul into the hands of God who gave it, and my body to the earth from whence it came in hope of a glorious resurrection through the merits of our Redeemer Jesus Christ, and a happy admission into the regions of bliss, and immortality, and as to my worldly estate wherewith it hath pleased God to bless me, I give and bequeath the same in manner following, to wit;

Imprimis: It is my will that all my just debts, and funeral expenses be paid out of my estate as soon as conveniently may be after my decease.

Item 1. I give and bequeath unto my beloved wife Anna, the yearly interest accruing on a principal sum of Twelve Hundred dollars, lawful money of the United States, which said principal sum of Twelve Hundred dollars, I order to be levied out of my estate, and be placed at interest by my hereinafter named executors, for the use of my said wife, Anna, who shall receive the interest accruing thereon yearly and every year during the term of her natural life, and I further give unto my said wife one milch cow at her choice, all my beds, bedsteads, bed clothes, and my furniture thereto belonging, my ten plate stove and pipes thereto belonging, all my woolen and linen cloth and yarn, all my table cloths and hand towels, my house clock and case, my clothes press, all my books, and all my other household and kitchen furniture, together with the rights privileges, articles,

matters and things containing and reserved in an instrument of writing which I have taken from my sons, John Hershey, Jacob Hershey, Christian Hershey, Abraham Hershey, and Joseph Hershey, to have and hold the said articles, matters and things unto my said wife Anna, during the term of her natural life, and I do hereby declare that the bequests, articles, matters and things herein given to my said wife Anna, are and are to be taken for and in lieu and full satisfaction for her dower or thirds, and rights and title to dower or thirds, of in and to all my estate real and personal.

Item 2. Whereas, I have conveyed by deeds of conveyances, different parts of my real property unto all my children to wit; John Hershey, Jacob Hershey, Christian Hershey, Abraham Hershey, Joseph Hershey, and to my daughter Elizabeth, wife of Benjamin Brackbill, and have therein and thereby severally given and left stand eight thousand dollars of the purchase money with each of my said sons, as part of each one's share coming to them out of my estate, and to my said daughter, Elizabeth, I have given and left stand in the same way Seven Thousand Five Hundred and Twenty dollars, it is therefore my will and I give unto my said daughter, Elizabeth, a further sum of Four Hundred and Eighty dollars, lawful money of the United States to make her share equal with the rest of my children.

Item 3. Whereas I hold a certain tract of land in partnership with my son John Hershey, situated in Sadsbury Township, County and State aforesaid, containing One Hundred and fifty acres, be it more or less, of which I order my part to be sold, and I do hereby empower my said executors to sell the same, either by private or public sale, as to them may appear most advantageous as soon as may conveniently be after my decease. if I do not dispose of same in my lifetime, empowering my said executors or the survivor of them to make sign, seal, execute and deliver good and sufficient deed or deeds of conveyance unto the purchaser or purchasers thereof.

Item 4. I give and bequeath unto my said son John Hershey, (Deacon of the Mennonite Society,) or to his successors, Fifty dollars lawful money of the United States, to be by him or them distributed among the poor in the congregation to which

I belong as a member at any time when necessity requires it.

Item 5. the first of these was the discovery of the
fact that the earth was not a perfect sphere
but that it was flattened at the poles and
swollen at the equator. This discovery was
made by the French astronomer Jean Picard
in 1669. He measured the length of a degree
of the meridian at different latitudes and found
that it was longer at the equator than at the
poles. This was the first evidence that the
earth was not a perfect sphere. The second
discovery was that the earth was not a perfect
sphere but that it was flattened at the poles
and swollen at the equator. This discovery
was made by the French astronomer Jean
Picard in 1669. He measured the length of
a degree of the meridian at different latitudes
and found that it was longer at the equator
than at the poles. This was the first evidence
that the earth was not a perfect sphere. The
third discovery was that the earth was not a
perfect sphere but that it was flattened at the
poles and swollen at the equator. This
discovery was made by the French astronomer
Jean Picard in 1669. He measured the length
of a degree of the meridian at different
latitudes and found that it was longer at the
equator than at the poles. This was the first
evidence that the earth was not a perfect
sphere.

The history of the world is a subject of great interest and importance. It is a subject which has attracted the attention of men of all ages and of all nations. The history of the world is a subject which has been the subject of many different theories and opinions. Some have thought of it as a series of events, while others have thought of it as a process. Some have thought of it as a story, while others have thought of it as a science. The history of the world is a subject which has been the subject of many different theories and opinions.
